LOVE 1. That tingly feeling I get when you're near. **2.** Butterflies floating around my stomach like we don't already talk and joke around, this feeling is quite unclear. **3.** When I talk to you in person, I have to cover my face to hide that smile, that blush that I hate so much, bright as nude lipstick on skin dark as coal. **4.** It doesn't hurt that you're in a new relationship because I know she makes you happy, it just hurts that I couldn't be the one to make you happy. **5.** My heart, warm as fresh baked cookies when hearing you say that you love me back, though she's still yours. **6.** Doing things that I could never imagine myself doing just to satisfy you and make you 'happy' while vividly tearing myself apart, which was something I hated. **HATE 1.** Allowing myself to let you talk me into doing things I wasn't comfortable with nor ready for **RESPONSIBILITY 1.** but it happened in the moment so i can't blame you. **2.** You didn't take responsibility for the fact that you used me and only thought about helping yourself, you act as if you did nothing and it hurts. **HURT 1.** How could you do that to someone that only had your back and was there for you. **2.** It felt like coughing up blood. **3.** It felt like getting hit by a car **4.** It felt like falling face first into concrete. **5.** I'm done with you and now it's going to hurt you, vengeance. **VENGEANCE 1.** Forever isn't a thing anymore, I'm never coming back. **2.** No longer your support system, I'll step to the side in the middle your trust fall. **3.** No longer being a dumb because of a stupid ass feeling of what I thought was love but was truly infatuation; it's only bringing me down. **4.** Look, it wasn't even love, I just fell into a cycle. **CYCLE 1.** As Nicki sings, 'And we keep going.' **2.** I can't let go and you won't leave me alone. **3.** Pulled into this trap like a helpless mouse. **4.** Or R. Kelly. **5.** Needs to be broken **6.** but I promised I'll always be there. **PROMISES 1.** Something I won't go back on. **2.** The only way you kept your word. **3.** The only way I could 'trust' you, even as my friend. **FRIEND 1.** What I am to you but you aren't to me, but it's fine because I loved you. **LOVERS 1.** What I always prayed and hoped that we could be, that could remain in lost dreams. **DREAM 1.** It'll never become a reality **2.** Delusionally daydreaming about a hopeless future. **3.** Distracted from what was important, school. **REGRET 1.** I wish I could go back in time and change it all. **2. The story of "us" has reached the end.**
